SAFETY WARNINGS

- Always wear proper eye and ear protection.
- Always shoot at the recommended distance.
- Always secure and maintain a safe backdrop to prevent injury from any misdirected or ricocheted bullets.
- Always use soft-nosed bullets; if others are used bodily injury may occur.
- Always observe all gun safety and range rules.
- Never use with armor piercing, full metal jacketed or shotgun slug ammunition.
- Always shoot a target set perpendicular to the shooter.
- Always keep targets, firearms and ammunition from the reach of children; these products are not toys

COMMANDMENTS OF SAFE GUN HANDLING

- Treat every firearm as if it were loaded.
- Always keep the muzzle pointed in a safe direction.
- Identify your target and what is beyond it.
- Ensure the firearm and ammunition are in good working condition and that only the correct ammunition is used.
- Store firearms and ammunition separately under lock and key, and use trigger locks.
- Always keep the action open except when actually hunting or preparing to shoot and always keep your finger off the trigger except when firing.
- Never point a firearm at anything you do not want to shoot. Avoid all horseplay with a firearm.
- Never climb a fence, tree, stand in or jump a ditch without unloading your firearm.
- Never shoot at a flat hard surface or water.
- Avoid alcohol and other drugs before or during hunting and shooting
