

Iron Bear SHOOTING BENCH

ASSEMBLY INSTRUCTIONS

ITEMS:

1. Table Top with Attached Legs
2. Front Leg Support
3. Seat Support with Locking Pin
4. Padded Seat with Cotter Pin
5. Gun Rest with Wing Nuts
6. Table Top Pad

A

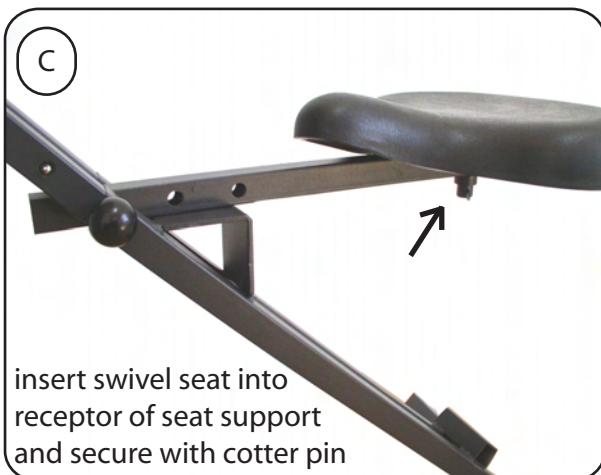

Unfold attached legs on table top and press-in locking pins to allow front leg to snap into place.

Insert back leg (with seat support ledge facing up) press-in locking pins to snap into place.

B

Place seat support on support ledge and snap in locking pin at desired distance

C

insert swivel seat into receptor of seat support and secure with cotter pin

D

Attach Table top pad and screw gun rest into receptor at front of the table top. Use wing nut to secure gun rest in place when desired height is achieved. Top of gun rest can be adjusted the same way
